

2017 2nd International Conference on
Computer, Mechatronics and Electronic Engineering

Xiamen, China December 24-25, 2017

CMEE 2017

CMEE2017 Looks Forward to Your Joining

Official website: www.cmee2017.org.

The second **Computer, Mechatronics and Electronic Engineering** conference will be held in Xiamen, Fujian province, China. Many scholars and scientists from this field will arrive at the meeting. We look forward to your participation!

Contribution Information

If you are interested in our meeting, you can send your articles to our meeting mailbox:

cfp@cmee2017.org or cmee2017@sina.com.

Publication

All accepted papers will be published on the Journal of **DEStech Transactions on Computer Science and Engineering** with **ISSN: 2475-8841, ISBN and DOI**. **DEStech Publications** will submit all the papers to be indexed in EI Compendex, Thomson Reuters Web of Science CPCI-S (ISTP indexing) and CNKI Scholar for worldwide online citation.

Registration

For papers accepted after reviewing, we will send the Acceptance Letter and Registration Instructions to the author's email. The reviewing result will be sent to the authors 3-7 days after submission.

After receiving the email, you can sign up for registration.

First Session Information

The first session of CMEE international conference was held in Xiamen on 20-21 November 2016, and the conference has been successfully indexed by CPCI-S.

The successful holding of the first session has accumulated experience for the second one, and it is believed that the second session will be better!

Call for Topics

The conference call for topics are (including but not limited to)

Computer	Mechatronics	Electronic Engineering
Service Management	Mechanical Power Engineering	Vehicle Dynamic Performance Simulation
Deployment	Precision Mechanics & Mechatronics	Industrial Automation and Control System
Mobile Internet Services in Calculation	Service Computing Education	Computer-aided Geometric Design & Simulation
Computer Engineering	Quality & Reliability Engineering	Information and Communication Engineering

Other related topics can also be contributed.

Important Dates

Submission deadline: October 9th, 2017
Registration deadline: October 18th, 2017
Conference start time: December 24th, 2017

Conference Schedule

The schedule for the day of the meeting is as follows:

December 24, 2017: The first day of the meeting is mainly for registration.

December 25, 2017: The second day of the meeting. At the beginning of the meeting, the opening ceremony will be held. Then the Keynote Speaker will give the first speech. After the speech, the main agenda of the day is that the author communicate with each other through oral presentations.

Brief Introduction of Xiamen

Xiamen is a suitable city leisure for a walk, stunned, in the sunshine, the pleasant climate, beautiful scenery, has both the unique customs found, Fujian and Taiwan, and delicious seafood, delicacies, all kinds of exotic architecture more let Xiamen has the unique temperament, humanities and natural combination properly, and therefore the whole city feast for the eyes, has become a lot of people yearning for livable city.

Transportation in Xiamen

Of September 1 2008, bus rapid transit BRT officially put into use, the system includes special station, elevated roads and lanes, narrow sense of Xiamen city bus rapid transit system contains only four BRT line quick, generalized the Xiamen city bus rapid transit system contains four BRT line quickly (quick 1, quick 2, quick 3), article 11 BRT link line, one line at the airport. It is the first BRT system in China to adopt viaduct mode.

Go to Xiamen in BRT, you can enjoy the feeling of shuttle over the city.
